

Power in a quiet design

There are four models in the range, from the economical all-purpose GD1005 to the powerful high specification HDS 1005 fitted with HEPA filter for hygienic areas, such as hospitals and kindergartens. The handy features such as easy-carry handle and a unique parking solution make the GD1000 series a good choice.

<div>The best choice for daily cleaning of carpets and hard floors.</div>

- Powerful motor, 2 speed on GDS and HDS (GDS = General Dual Speed, HDS = HEPA Dual Speed)
- HEPA filter is standard on HDS
- 15 m cord and practical cord storage
- Parking solution

The GD1000 series represents the ideal choice for commercial cleaning tasks. It is thereby the good choice for daily cleaning of carpets and hard floors in hotels, restaurants, offices, recreational facilities and building lobbies.
