

### Handy, cordless and handheld vacuum cleaner - with Lithium battery

- Handheld, rechargeable handheld vacuum cleaner.
- Black model comes with lithium battery that gives a longer run time and verquick charging.
- Grap and Go.
- The Handy is stored on a charging stand and there is no need to hide it away in the cupboard.
- Super suction.
- The performance of the Handy is very good and is the answer to your everyday need.
- Easy emptying. Just press the quick release button and empty the dust container.
- Washable filter. Very easy to take off the filter and rinse with water.
- Please note that filter needs to be completely dry, before putting it back into the machine

Picture shown may not represent model quoted

This rechargeable unit is always ready to go when you need it - and it does the job. An extendable crevice makes it easy to clean e.g. between the car seats or other hard to reach places. Crumbs on the table are quickly picked up.
