Ergonomic design for flawless and efficient cleaning

VP100 is fully compatible with the range of accessories offered with the rest of the Nilfisk dry canister vac portfolio. It allows to be more flexible in replacement of accessories and reduce the overall operating costs of your complete Nilfisk cleaning solution
To ensure its ease of use, it has standard features such as:

- Intuitive on/off switch
- Compact cable storage
- Accessory storage
- Simple dust bag replacement

VP100 offers you simple cleaning solution. Intuitive design with simple operation ensures that VP100 can be used with very little instruction.
