

Bagless vacuum cleaner - extra suction power and the best in filtration

Minimising vacuum dust in the disposal process, the Nilfisk Combat Ultra comes with new bagless technology that features a large 2.5L transparent dust container for easy and fuss-free emptying. The Nilfisk Combat Ultra also features a strong 2200W for extra suction power – making the chore of vacuuming far easier while also delivering a superior and effortless result. Offering the best in filtration, the Nilfisk Combat includes a HEPA filter, which gets rid of dust more effectively and also minimises asthma and allergy triggers in the home. With its extra turbo nozzle delivering a more intensive clean, removing pet hair is easy. It also includes a hard floor nozzle for smooth cleaning on hard surfaces and difficult-to-reach areas - ensuring every corner and crevice of the home is kept immaculately clean.

- Strong suction, 2200W motor for an excellent cleaning result HEPA filtration, clean exhaust air
- Hard floor nozzle

Winning the battle against dirt and dust, the new Nilfisk Combat Ultra vacuum delivers ultra-powerful results that raise the standard of cleanliness in the home.
