

A general purpose vacuum for everyday use

As with all Nilfisk machines, the design is outstanding with careful attention given to ergonomics and environmental friendliness. The Thor Eco offers 25% reduced power consumption via a 900w fan unit yet still providing an excellent cleaning performance.

- Best in class filling capacity, which means less time spent changing dust bags
- Weighs just 5.2 kg and making it easy to move from place to place
- Low sound pressure level of just 50 dB(A), it makes this vacuum suitable for daytime cleaning
- Secure accessory and power cord storage and rear mounted tool parking

The Nilfisk Thor is a basic, well-built, thoroughly reliable machine that can be relied upon to do the job day in day out. It is ideal for cleaning offices, bars, restaurants and similar light to medium duty applications.
