

Wet and dry vacuum cleaner for indoor and outdoor vacuuming

The days where you spend half a day blowing up your rubber boat are gone – now it only takes about 20 seconds – thanks to the automatic blow function. And if you from time to time need to suck up water from your basement or from the floor, this machine is a must – use the same filter for water and dry dirt. The exclusive Push&Clean semi-automatic filter cleaning system from Nilfisk is featured on all of the Multi machines – you only have to push a button and the filter is cleaned in a few minutes. The quick park feature means that you quick and easy are able to place and store the extension tube in a unique and specially developed holder on the machine.

- Push&Clean semi automatic filter cleaning means it takes only seconds to clean your filter, ensuring continued high performance.
- Easy storage of accessories. Cable rewind (CR model).
- Hose storage hook.
- Wet and dry filter.
- 20 l.
- Container.
- 1400 watt motor.
- Chassis with two castors and two “alu look” wheels.
- Quick park.
- Automatic blow function.
- Stainless steel container (Inox models).
- Automatic start/stop for electric tools (T models).
- Water drain outlet (Inox models).
- One fleece dust bag included in each machine box as standard.

Picture shown may not represent model quoted

Use this Nilfisk Multi for vacuuming outdoor. It is perfect for the home, car, workshop and hobbyists who want a machine to suck up water and leaves. This is a wet & dry vacuum cleaner without compromise in both operating mode and user-friendliness.
