

Central vacuum cleaners - clean air, low noise, high suction power, convenience

To make the installation more convenient, kits are designed to fulfill what is needed for a normal house.

The 'All-in-1' boxes from Nilfisk contain everything you need for installation in most houses. But naturally, you can also purchase pipes, elbows and inlets separately.

The new and powerful Nilfisk Supreme gives you constant suction, and with the innovative Deluxe model the control of vacuumcleaning are right at the fingertips.
