

Silent cleaning and stripping of hard floor - you get the job done quickly and efficiently

FM400 is very silent and can be used in hospitals. Safety button, dead switch, high visibility cable, IPX4, automatic click on/off put the FM400 at the edge of safety. Metal frame, big wheels and bumpers, gloss paint, all merged together in a modern design give evidence to the robustness, durability and easy cleaning of the machine.

Low speed machine for standard cleaning applications.

- Price competitive: Nilfisk quality and performance for less money
- High performance: Powerful scrubbing and stripping in a smart construction
- Common design: Recognized Nilfisk design signals cost savings and easy handling
- Common accessories: No complexity and easy to operate
- Improved features: Cable hook for the operator, big wheels, easy cable storage, ergonomic handle and improved safety
- A complete range of optional accessories to suit specific tasks
- Also run at 230V/60hz
