

## Dual Mode or Basic - the choice is yours

With both carpet extractors, however, fast and effective dirt extraction from carpets is the name of the game. Thanks to the intelligent design and quality engineering that are the hallmarks of all Nilfisk machines, the AX310 and AX410 both offer ready-to-go reliability and simple-to-use operation. These units are designed to meet the demanding needs of cleaning mid-sized carpeted areas in offices, schools, airports, restaurants, hotels, malls and other heavy-traffic areas.

- Smart Solutions™
- Dual mode cleaning for renovation or maintenance cleaning on AX 410 AX 310 is the rugged no frills version for rental and simplified applications
- Quality design and first class engineering saves water and chemicals
- State of the art moisture recovery speeds up drying time
- On board accessories on AX 410 make it easy to clean seat and wall coverings and hard to reach spots
- The handle is adjustable for easy storage and ergonomic operation
- Hard floor cleaning on AX 410 with hard floor kit

Picture shown may not represent model quoted

The needs of all carpet extractor users are different. That is why separate versions are offered for those who need on-board accessories and dual mode cleaning (AX410), and those who's demand is for an economically priced extractor with basic functional features (AX310).
